

ViewSonic® N3200w LCD TV Display

32" NEXTVISION® WIDE-SCREEN, HD* LCD TV

Enhanced home entertainment.

ViewSonic's NextVision N3200w 32" HD LCD TV features advanced image enhancement technologies that deliver stunning television and video entertainment. **INTENSE COLOR, HIGH CONTRAST IMAGES**, 1280x768 resolution, and powerful 12-watt stereo speakers with virtual surround sound capability immerse you in the action. Integrated connections give you versatile high-definition TV compatibility regardless of your HD signal source. **CONNECT ALL YOUR MULTIMEDIA COMPONENTS**. There's even a digital media reader for viewing your favorite digital photos. The N3200w

offers DVI/HDCP (high-definition content protection) capability ensuring long-term compatibility with evolving technology. The stylish flat panel with distinctive design complements your décor and lifestyle.

The N3200w delivers a vivid color picture from virtually any viewing angle.

Experience intense color in an amazing TV

••• Wide-screen, high-definition HDTV

1280x768 resolution, wide-screen aspect ratio and wide viewing angles for a higher quality image allow you to enjoy high-definition TV from virtually anywhere in the room.

••• Front panel digital media reader

Compatible with CF, MS, SM and SD/MMC memory cards for viewing your favorite digital photos in high resolution.

••• Advanced image enhancement technology

Integrated motion adaptive progressive scan, digital 3D comb filter and 3:2 pull down give you a larger, clearer picture with fewer artifacts.

••• Get into the action with a super-fast video response time

The super-fast 9ms (Tr, Tf) video response time brings gaming and movies to life with crisp, life-like video.

••• Stunning TV, vivid graphics

High brightness of 550 nits (typ) and a high contrast ratio of 600:1 (typ) bring you crisp images in rich, saturated color.

••• Integrated connections for all your multimedia components

Integrated DVI-HDCP connections give you the best HDTV images regardless of your HD signal source.

••• Powerful multimedia stereo audio

Two built-in stereo speakers deliver 24 watts of stereo sound to your TV and movie choices. Stereo connections also allow you to send stereo audio to your sound system.

You'll never have to leave your seat with this 51-key remote control.
